Dear Prospective Family,

Thank you for considering Coastal Christian Academy for the education of your child/children. Here at CCA our goal is to provide quality, Christian education as well as grow the students in their faith in Jesus Christ. We strive to create a fun and safe environment for children to develop a great love for learning. Students are challenged in a structured, yet friendly classroom setting. Administrators and teachers strive to develop relationships with both students and families. We seek to grow children in a faith that will encourage them to serve God and others throughout their life. Bible lessons are taught daily and are integrated into the core subjects. We want to honor God with our school as we prepare children to face their future with solid biblical principles and strong character traits of integrity and responsibility. We know the education of your child/children is of utmost priority and we are humbly honored to be entrusted with this great role. Please let us know if there is any way we can serve you.

Sincerely,

Mrs. Dobbs, Principal
